

January 2012

Happy New Year!

Dear Clients, Colleagues and Friends:

We are embarking on a brand new year and hoping for health and prosperity for us all. To begin the year I am pleased to announce the opening of my new office location in Sun City, Arizona! We are located in Bell Plaza at:

17220 N. Boswell Blvd., Suite 106W, Sun City, AZ 85373

This is our primary mailing/delivery address so please update your records to avoid any delay in processing your mail. In addition to the Sun City location we still maintain our Glendale office at 51st Avenue and the 101 and continue to serve the greater Phoenix metropolitan area as well as Yavapai County.

FREE FIDUCIARY/ATTORNEY TRAINING OPPORTUNITY

In 2011 the Arizona Supreme Court adopted some new rules of probate procedure with more adopted in December to be implemented throughout 2012. I am offering FREE training for any corporate trustee, licensed fiduciary, attorney or law firm interested in learning about the rule changes and their effective dates. Please contact my office to schedule your free training!

FOR OUR CLIENTS AND COUNSEL

I am going to be on medical leave for approximately six weeks beginning most likely in early March. Rest assured, the office will run smoothly in my absence. I have enlisted the services of attorney Cynthia Miller of The Miller Law Offices to handle all matters that require attorney attention or oversight in my absence. Ms. Miller shares space with me in my Sun City office location (17220 N. Boswell Blvd., Suite 106W, Sun City, AZ 85373) and will provide any needed assistance at no additional cost to my clients and her time will be billed through my office. Her telephone number is 623-225-9555.

During my absence my staff will also be able to contact me if necessary. Do not hesitate to call or write with any questions or concerns. Serving our clients is the utmost priority and we are all at your service!

Here's wishing you a happy, healthy and prosperous 2012!

Stacey L. Johnson
